

About us

Independent Lives is a user-led charity and social enterprise working to change the lives of disabled people, people with support needs and carers.

Our vision is for a fair society where we can all participate and fulfil our potential.

Working together we can achieve real change in the lives of the people we support - so that we can all participate in our communities and have greater choice, control and freedom.

Payment
Services**

Working together to change lives

Working together to change lives.

Independent Lives provides a range of services to support people who receive Direct Payments.

Independent Lives is a one stop shop for everything you need to manage your Direct Payment and to live your life as independently as possible.

Our trained advisers can provide you with support, explain your options and give you the information and advice you need to employ and manage your own PAs.

Our information and advice line is open from **9am to 5pm, Monday to Friday**. Just give us a call and start your journey to independence today.
